How To's

Create 500ft buffer around a parcel

1. Select a parcel (click on the map or use the upper right corner search box) and a parcel information will show up
2. Click on the 'View Additional Details' (if needed)
3. Click 'Menu'

4. Click 'Show Buffer Options'
5. Enter Buffer Distance and Units (default is Feet)
6. Make sure 'Write to Drawing Layer' is checked
7. Click 'Continue'
8. You will see 500 ft Buffer ring around a parcel you selected
